Re: Lease Option Extension
ALLTEL Site: Argillite (ARP)

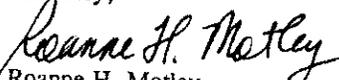

Dear Mr. and Mrs. Moore:

As you are aware, ALLTEL entered into a Communications Site Option and Land Lease Agreement with you on August 22, 2004. You were paid an option fee of \$1,800.00 to allow ALLTEL to perform due diligence on your property during a nine-month option period to determine suitability for a telecommunications facility.

The Option Period expires on May 21, 2004; however, ALLTEL has still not completed its due diligence of your property, and requests a three-month extension. Therefore, I have enclosed ALLTEL check number 1808755 in the amount of \$450.00 representing extension consideration. By accepting this extension fee, the Option Term will result in an expiration date of August 21, 2004. Please acknowledge your acceptance of the extension fee by signing below on both copies and return one signed letter to me in the enclosed, pre-addressed envelope provided for your convenience.

Your cooperation is greatly appreciated. Please feel free to contact me directly at (501) 905-7076. I will be happy to assist with any questions you may have. Thank you.

Sincerely,
